

Why did Hitler invade Poland ?

WW 2 was started over the Danzig corridor which was part of Germany until the Versailles treaty gave

it to Poland

1918 Versailles Treaty

The post WW 1 Treaty decimated Germany - causing a depression enabling Jews to buy up vast amounts of German industry and left Germans bitter.

International Jewry ,who represented 80% of those attending the Versailles treaty forced Germany to give a portion of their country (Danzig Corridor) to Poland.

Edward House(right) was Jewry's lead man a Rothschild employee who previously helped form the Fed Res.

1937

Hitler was pleading with Poland to give Germany a 1 mile access to their providence of East Prussia . Both parties were in agreement when in 1939 Poland suddenly broke off all negotiations.

1938

Roosevelt gave Churchill assurances that the USA would be brought into war against Germany.

March 31, 1939

Britain and France guarantee Poland's defense (Anglo French Assurance [Pact](#))

They secretly made a pact with Poland to come to their defense if Germany attacked.

Poland threatens war

Emboldened by Roosevelt and Churchill guarantees Rydz Smigly and Ignacy Moscicki , the head of Poland's army and it's president were saber rattling .

Smigly said -- "Poland wants war with Germany and Germany will not be able to avoid it even if she wants to." He threatened to overrun Germany in three days.

The 1939 Danzig Massacres

The Polish Bolsheviks kill 58,000 German Nationals in the Danzig corridor

In the months leading up to the German invasion the Polish Army and independent Bolshevik units had been slaughtering German nationals in the Danzig corridor. Mass killings of thousands of civilian ethnic Germans (Volksdeutsche) by both civilian and Russian NDVK Jews, who were confident that Poland would quickly defeat Germany. Many apparently expected to take possession of German farms and businesses. An estimated 58,000 German civilians lost their lives in the massacres carried out prior to the 1939 invasion.

Poles had been merrily slaughtering anything or anybody German since at least as early as April 1939, with smaller incidents stretching back to the close of WW I -- you haven't been told that by the Mass Media, or the fact that these atrocities were one of the main causes for the German invasion of Poland.

Germany had protesting in writing to the League of Nations literally dozens of times with no results.

Bromberg Bloody Sunday

On one day alone - Polish Jews, under the protection of the Polish Army, attack a small German town and viciously kill 5500 Germans

On 'Bloody Sunday' 5500 Germans were murdered:

The "Bromberg Bloody Sunday" is perhaps best known. Polish Jews were confident they would win against Germany

and went on a rampage of ' Blood Lust ' that was unmatched. Groups of Bolsheviks attacked from Ponz, Lotz and Warsaw approached the town and started killing the farmers on the outskirts. Children were nailed to barns, women were raped and hacked to death with axes men were executed where they stood.

Bolshevik leaders of the Ponz, Warsaw and Lodz Jewish groups

Ladovitch

Karpinski

Weis

On Bromberg Bloody Sunday, thousands of ethnic Germans were slaughtered like pigs in an alley because the majority "poles" (the "slavic", non-Teutonic types, really Turco-Ugaric, Hunnic, Tartar and Mongoloid residue from the old "Dark Age" invasions) knew they could do so with total impunity.

328 killed in church burning

Who benefits

The 5 ' 6 " Jewish Stalin and Bolsheviks now have their war and British, French, American, Canadian, etc blood will be spilt all over Europe to decimate Germany and open the world to the Jewish swindle called communism.
